Chantel thanks for our telephone conversation a few days ago.

As you mentioned your firm does not have the list of Affected and Interested Parties with regard to the La Luc proposed development.

You requested that I furnish those names to you.

I believe the list includes as follows and have copied this mail to the email addresses that I have.

Phil Biden

Paula Disberry

Chris Thompson

Johan Janse van Vuuren

The Principal of the Wes Eind school -- I do not have this email address.

Please reply to the above copied list and confirm that any objections should be sent to administration@environmentalconsultants.co.za

Kind regards,

Chris Thompson
